

INTRODUCTION

At PPS, we take pride in simplifying life for our members and advisers by offering products tailored to individual needs.

That is why we are introducing the PPS Mobile App that enables members convenient, tailor-made access to our products and services across all subsidiaries at just a click of a button on any smart mobile device!

The app will be available to all PPS members, with and without product, across all subsidiaries.

UNIQUE FEATURES

A unique and engaging user experience, tailored to your individual needs. App features include:

- Financial adviser contact details
- Administration self-service
- View contact and banking details
- View documents and tax certificates
- View and update product and portfolio details
- Request new products or product changes
- Profit-Share details and statements
- Profit-Share Account™ Projection
