MediClub iConnect BENEFITS

MEDICLUB FOR STUDENTS

VIRTUAL GP CONSULTATIONS AND/OR IN-PERSON GP VISITS

Members can make use of any National HealthCare Group Network GP, either in-person or virtual. Benefits include unlimited consultations, when required. WhatsApp functionality for medical advice from qualified nurses is available within the 30-day waiting period and thereafter.

Before visiting the Network GP, the member must obtain a referral from the nurse on WhatsApp. A 30-day waiting period applies from the Participation Date or Reinstatement Date of the policy.

GP MINOR PROCEDURES

Minor procedures performed in GP rooms are included. Other GP procedures charged at a discounted fee. A 30-day waiting period applies from the Participation Date or Reinstatement Date of the policy.

ACUTE MEDICATION

Provided by a National HealthCare Network GP or prescription from a Network Pharmacy according to the National HealthCare medicine formulary. A 30-day waiting period applies from the Participation Date or Reinstatement Date of the policy.

BASIC PATHOLOGY

Basic blood tests as requested by a National HealthCare provider subject to National HealthCare protocols and approved list of tests. A 30-day waiting period applies from the Participation Date or Reinstatement Date of the policy.

BASIC RADIOLOGY

Basic Black and White X-Rays as requested by a National HealthCare provider, subject to National HealthCare protocols and approved list of codes. A 30-day waiting period applies from the Participation Date or Reinstatement Date of the policy.

OVER THE COUNTER (OTC)

This benefit is limited to four scripts per beneficiary per annum against formulary and can only be obtained from our WhatsApp Nurse line.

- OTC claims are limited to 4 fills per beneficiary per annum for a full year (12-month cycle).
- OTC scripts are limited to 1 incident per beneficiary per day.
- OTC claims are subject to a Scheme specific OTC formulary.
- OTC formulary claims are generic ingredient based and limited to a maximum dispensed quantity, annual quantities, and refill limitations.

Medication can be obtained from any Mediscor contracted pharmacy.

BASIC DENTISTRY

Benefits include consultations, fillings, extractions, infection control, cleaning and polishing of teeth. Subject to a list of approved dental codes. A 6-month period applies from Participation Date or Reinstatement Date of the policy.

24/7 TELEPHONIC CAP BENEFITS

0860 222 286

HOW IT WORKS

PRIMARY HEALTHCARE

Our Day to Day services are provided through the National HealthCare Provider Network.

The provider Network consists of the largest independent national network of over 12 000 healthcare service providers that include: GP's, Dentists and Pharmacies and related services. Members are required to make use of the National HealthCare Network Providers. The list of these service providers can be found on the MediClub MobiSite.

Alternatively, you can contact National HealthCare on 0860 002 402. Members will be required to produce their digital membership card/certificate and ID when using a Network Health Provider.

ACCIDENT / EMERGENCY

National HealthCare have agreements with most Private Hospitals in South Africa. In the case of any emergency transportation, call Lifemed Ambulance services at 0861 086 911 (found on the digital Membership Card).
