The PPS Endowment Plan is a savings vehicle suited for investors aiming to build wealth over the long term.

It supports disciplined investing by limiting access to savings within the first five years of the investment term. However, the policyholder is afforded unlimited flexibility to change their selection of underlying investment options, or to adjust the contribution amounts in accordance with the rules of an Endowment Plan. Taxes are applied directly within the PPS Endowment Plan, relieving the policyholder of any tax reporting duties. The proceeds of the investment are therefore tax-free in the hands of the policyholder.

## 1 THE ENDOWMENT PLAN

### 1.1 What is an Endowment Plan?

It is an investment policy issued by a long-term insurance company in terms of the Long-Term Insurance Act and the Insurance Act.

### 1.2 What do I need to open an Endowment Plan – Individuals?

The Policyholder must be a natural person or a trust with natural persons as beneficiaries. Submit an application form in the prescribed format with the required supporting documentation to the Administrator for approval. In addition, you must make a payment to the Endowment Plan – Individuals bank account.

### 1.3 What do I need to open an Endowment Plan – Corporate?

The Policyholder must be an entity or a trust with one or more entities as beneficiaries. Submit an application form in the prescribed format with the required supporting documentation to the Administrator for approval. In addition, you must make payment to the Endowment Plan – Corporates bank account.

For a company or a legal entity, a director/member (who is a PPS member), authorised to act on behalf of a company and owns a minimum 5% shareholding/interest may open an investment for the company. For trusts a trustee (who is a PPS member) and a resolution stating that they are authorised to act on behalf of trust is required.

### 1.4 When does the Endowment Plan end?

When the last Life Assured dies, when the value of the investment is zero, or when the total value of your investment is paid out (after fees).

### 1.5 Who administers the Endowment Plan?

The Endowment Plan is administered by the Administrator, who is licenced by the FSCA in terms of the FAIS Act as a Category I Financial Service Provider providing intermediary services.

### 1.6 What is the value of my investment within my Endowment Plan?

The value is equivalent to the market value of your Investment Option(s) less any fees and charges. The value of your investment will increase or decrease as the market values of the underlying securities in your chosen Investment Option(s) fluctuate. The Administrator does not provide any guarantees in relation to any investment performance.

### 1.7 Who owns my investment?

You are entitled to the payment of a benefit from the Endowment Plan. However, the insurance company owns all the underlying investments of the policy.

### 1.8 Is my Endowment protected against creditors?

The market value of the Endowment will be protected against creditors after three years. This protection will continue on the market value of your Endowment until five years after the policy is terminated.

## 2 CONTRIBUTIONS

### 2.1 What are the minimum investment amounts?

- Lump sum: R10,000
- Recurring: R500 per month\*
- Ad hoc: R5,000

\*The minimum recurring debit order is R350 per month for investors under the age of 25, with a minimum escalation rate of 5%. This escalation will continue unless instructed otherwise. From the age of 25, the minimum debit order will automatically increase to R500 per month.

### 2.2 What is the minimum investment period?

The initial term of this Endowment Plan is five years as specified by the Long-Term Insurance Act.

### 2.3 Can I phase in a lump sum?

Yes. Lump sum investments can be phased in over a period of time. You may phase in your lump sum investment over 3, 6 or 12 months. If you choose to phase in a lump sum, the full lump sum will initially be invested into the PPS Enhanced Yield Fund and will be phased into your selected Investment Option(s).

### 2.4 When I deposit monies, will I receive interest before it is invested?

Interest will be applied on all deposits if it takes longer than one day to process your contribution after the deposit has been paid into the Endowment Plan bank account and we have received your application form including all required supporting documentation.

### 2.5 Can I make additional contributions?

You can make additional contributions to your plan at any time. However, should these contributions exceed 120% of your annual contributions in the prior two-year period, your investment will enter an extended restriction period for another five years from the date of the exceeding contribution.

## 2.6 When will my monies be collected if I choose to invest using the electronic collection method?

Electronic collection is restricted to a maximum Rand value per day as determined by the banks. An amount greater than this will require the Administrator to make multiple debits over multiple days, which may result in additional transaction costs. The investment will be processed one (1) business day after the last debit is received.

## 3 INVESTMENT OPTIONS

### 3.1 What are the available Investment Options?

You have access to a premium selection of PPS Multi-Managed Investment Options and a refined list of Single-Manager Investment Options. You may access the Investment Option information via our website. These Investment Options may change from time to time.

### 3.2 Are there foreign investment limits?

This investment must adhere to the South African Reserve Bank regulations that govern foreign investment exposure limits for life companies.

## 4 SWITCHES

### 4.1 Can I switch between Investment Options, and how?

You can switch between Investment Options as often as you choose without incurring a transaction fee. However, should the asset manager of your chosen Investment Option(s) charge an initial fee for investing into its unit trusts, this fee would be applied to your investment. In other words, you can switch between available Investment Options, subject to the requirements and conditions that the Administrator or asset manager of the relevant Investment Options may apply. To switch investment options, you must complete a switch form (available on our [Secure Site](#)) and submit it with any required supporting documentation to the Administrator.

### 4.2 Can I switch between Original and Select Fund Ranges?

PPS Investments currently offers two ranges of Investment Options, namely the Original Fund Range (available prior to 1 October 2014) and the Select Fund Range (available post 1 October 2014). Existing policyholders in the Original Fund Range can continue to access the Investment Options listed in the Original Fund Range Investment Option schedule. This range is, however, closed to all new investments. New investments will only be made into the Select Fund Range and the Investment Options are set out in the Select Fund Range Investment Option schedule. You will not be allowed to combine Investment Options from the Select and the Original Fund Ranges.

## 5 WITHDRAWALS

### 5.1 Can I withdraw funds from the Endowment Plan?

One withdrawal is allowed within the first five years of the policy, which is referred to as the restriction period.

Full withdrawals and unlimited partial withdrawals are allowed after the restriction period. At the end of the restriction period, the term of the Endowment Plan automatically becomes open ended. If the Rand value of your withdrawal is 95% or more of the value of your investments, we will withdraw 100% of your investment. Foreign payments made between Eswatini, Lesotho, Namibia and South Africa will be subject to additional requirements.

### 5.2 How much can I withdraw?

The maximum amount you can withdraw in the restriction period is the lesser of:

- Your contributions during the restriction period, including any market value in the policy the day before the restriction period started plus 5% compound interest; or
- The market value of the Investment Option(s) less fees and charges.

Any remaining balance must stay invested in the policy until the end of the restriction period. If the remaining balance is less than R2 500 the full amount can be taken at point of withdrawal.

**Kindly note that units bought with a recurring or once off collection can only be sold 65 business days after the investment date.**

### 5.3 Please note that all payments will be made electronically, and that PPS Investments will not make payments to credit cards, loan accounts market-linked accounts, or third-party bank accounts. Payment will only be made to a transactional bank account in the name of the policyholder.

## 6 CESSIONS, COOLING OFF, LOANS AND TRANSFERS

### 6.1 Are cessions allowed?

Yes, the Endowment Plan can be transferred to another person or entity by way of a cession or ceded as security. Capital gains tax may be applicable should you transfer ownership.

### 6.2 Is there a cooling-off period, should I change my mind about the Endowment Plan?

A cooling-off period is allowed. The Endowment Plan can be cancelled within 31 calendar days of receipt of the confirmation documents. This applies to additional contributions or increases in debit orders. This gives you the right to withdraw from your Endowment Plan. The amount to be refunded will consider market fluctuations and may therefore be less than the initial contribution amount. No interest or investment return will be paid or accrue to you. This option is not available where, during the 31-day period, you have switched from the Investment Option(s) originally invested in, or if any benefit or claim has been paid.

### 6.3 Can I transfer the Endowment to another insurer?

The fee is calculated and accrued daily.

- **Administration fees:** These are payable for administration services provided by the Administrator. No initial administration or transaction fees are charged. ## 11 NOMINATION OF BENEFICIARIES AND APPOINTMENT OF LIVES ASSURED

### 11.1 What nominations and appointments will I be asked to make as a natural person or Trust within the Endowment Plan?

- **Beneficiary of Ownership**

This is only applicable where the policyholder is a different person to the life assured. If you are a natural person ( and not a legal entity for example) and you have appointed a life assured other than yourself, you are required to nominate a beneficiary of ownership to take ownership in the event of your death. Only one beneficiary ownership is allowed.

- **Beneficiary of Proceeds**

As the policyholder you can nominate a beneficiary to receive the proceeds of your Endowment after death of the last Life Assured. If you nominate more than one beneficiary the proceeds will be split equally unless you specify otherwise. If you do not nominate a beneficiary of proceeds, you or the legal entity as the policyholder will automatically become the beneficiary of proceeds.

- **Life Assured**

If the policyholder is a natural person; you will need to appoint a life assured that is a natural person. You can nominate yourself as the life assured, and may appoint more than one life assured on the policy. You as the policyholder may add a life assured, but may not remove or replace an existing life assured. The policy will mature when the last life assured dies.

When the last life assured dies, the Endowment will mature. If you are the last life assured and you have nominated beneficiaries, the market value (excluding applicable fees and charges) will be paid to the beneficiaries for proceeds. If you have not nominated any beneficiaries for proceeds, the proceeds will be paid to your estate or the legal entity, where the legal entity is the policyholder.

### 12.2 What happens to the proceeds when the policyholder dies?

If the policyholder is a natural person, when the policyholder dies, the policy will continue and the beneficiary for ownership will become the policy holder. If the policyholder is the last life assured, the policy will mature and the proceeds will be paid to the beneficiary for proceeds. If you are not the last life assured, the policy will not mature due to your death. The policy will be passed on to the beneficiary for ownership.

### 12.3 What happens to the proceeds when the beneficiary for ownership dies (where the policyholder is a natural person)?

If a beneficiary for ownership dies before the policyholder and / or life assured, you as the policyholder will have to notify us and nominate a new beneficiary for ownership. In the event that we were not notified, your estate will become the owner of the policy upon your death.

### 12.4 What happens to the proceeds when the beneficiary for proceeds dies?

The policyholder should notify us when the beneficiary for proceeds dies. A new beneficiary for proceeds can be appointed or you can re-allocate the basis on which the surviving beneficiaries of proceeds will share the benefits. If there is no beneficiary for proceeds you as the policyholder will automatically be the beneficiary of proceeds.

### 12.5 What is required at death?

We must be notified in writing of the death. The notification must include a certified copy of the identity document, death certificate and investment number.

## 13 UNCLAIMED BENEFITS

### 13.1 What happens to unclaimed benefits?

If the Administrator is unsuccessful in its efforts to make a payment that is due to the policyholder or their beneficiaries/estate for whatever reason, such benefits will become unclaimed benefits.

The Administrator may use all personal and contact information in its possession in order to facilitate tracing directly or via a third party.

Any reasonable direct administrative, tracing and management costs incurred by the Administrator ITO the new Asisa Standard on Unclaimed Assets from the date on which the benefits first became due will be charged against the remaining value of the unclaimed benefit on an ongoing basis or once the benefits have been claimed. ## 14 YOUR ROLE

Notwithstanding the information shared above, there are some additional rights and responsibilities to take note of:

### 14.1 We recommend that you seek financial advice

We always recommend seeking financial advice when making investment decisions. A financial adviser should be able to help you make investment choices that are suited to your needs and circumstances. They should also help you ensure that you are fully informed of all fees you need to pay. If you do not have a financial adviser, the responsibility lies with you, as the policyholder to make sure all fees payable are understood.

The financial adviser is responsible for ensuring that you receive an appropriate needs analysis, advice, product and fee information, including changes in administrative processes and that you fully understand these. Where you have appointed a financial adviser, it is the responsibility of your financial adviser to act within the conditions of their relevant FSP licence. We cannot be held responsible or liable for any loss or damage you may incur as a result of the financial adviser acting outside of their licence conditions.

### 14.2 The risk and responsibility to choose an appropriate investment lie with you.

We do not provide any guarantees in relation to any investment performance. The value of the investment portfolio will fluctuate relative on the market value of the underlying securities comprising the selected investment portfolio. Investment Options are generally medium-to-long-term investments. The value of your Investment Option(s) may go down as well as up and past performance is not necessarily a guide to future performance.

### 14.3 Any risks associated with the communication method you choose to submit instructions lie with you.

We will accept your instruction by facsimile or email. We will not accept any loss incurred as a result of us receiving and/or acting upon such communication. You waive any claim that you may have against us as you hold the risk of the communication method you have selected. We will not be liable if we do not receive a communication whether due to the failure, malfunction or delay of any networks or electronic or mechanical device or otherwise.

### 14.4 You are entitled to information a collective investment scheme is legally obliged to disclose.

As the policyholder, you are entitled to any information that the law requires a collective investment scheme to disclose. We are obliged to obtain and transmit such information if the policyholder requests it.

### 14.5 Reporting of errors

You have **14 days** after receipt of investment confirmation or any statement to report any errors to the Administrator. The Administrator will not accept any responsibility for any loss, damages or inconvenience you incur, howsoever caused after this time.

### 14.6 You are responsible to ensure your personal information on our system is correct.
