Useful information

Please refer to our website www.ppsinvestments.co.za for:

- Product brochures and key benefits.
- Fund fact sheets (Minimum Disclosure Documents) for each of the available Investment Option(s).
- Financial Intelligence Centre Act (FICA) requirements.
- The Effective Annual Cost measure (EAC) is an industry-wide disclosure standard. It can be used by investors and financial advisers to compare charges on most retail investment products, and their impact on investment returns, so that investors are placed in a better position to make informed decisions around investment choices. The EAC is a measure of the charges that an investor will likely incur in purchasing and holding a financial product, and does not attempt to measure the features of a financial product.
- The latest Product Terms, Conditions and Declarations.
- You can manage your investment, view balances, transact and download tax certificates on the PPS Investments Secure Online Services website (www.ppsisecure.co.za) or the PPS for Professionals mobile app for IOS or Android.

Consider getting financial advice

PPS Investments does not provide financial advice. However, we believe in the merits of good financial advice. If you are not comfortable making your own investment decisions, consider using the services of a PPS Investments accredited financial adviser.
