- Product brochures and key benefits.
- Fund fact sheets (Minimum Disclosure Documents) for each of the available Investment Option(s).
- Financial Intelligence Centre Act (FICA) requirements.
- The Effective Annual Cost measure (EAC) is an industry-wide disclosure standard. It can be used by investors and financial advisers to compare charges on most retail investment products, and their impact on investment returns, so that investors are placed in a better position to make informed decisions around investment choices. The EAC is a measure of the charges that an investor will likely incur in purchasing and holding a financial product, and does not attempt to measure the features of a financial product.

You may only nominate beneficiaries who are natural persons to receive a benefit in the event of your death before retirement from the Fund. Where payment to a natural person via a trust is required, the natural person must still be nominated, but the nomination must be qualified by a request to make payment to the person via the trust. Please note that the allocation to your beneficiaries is at the discretion of the Trustees, based on the provisions of section 37C of the Pension Funds Act, No. 24 of 1956. Your nomination will serve to assist the Trustees in making these decisions, although it may not be binding on them. If you elect to review and make changes to the nomination of any beneficiaries, a signed instruction must be received by PPS Investments before your death.

If no beneficiary is nominated, the proceeds may be payable to your estate subject to legislative requirements, this may have a negative impact on estate duty, executor fees and income tax payable. Please note that we will not capture an Estate as a beneficiary on your investments. We will capture "No beneficiary nominated".
