Vested Benefits

- If you were **55 or older** on 1 March 2021, and you were a member of a provident fund or provident preservation fund on that date, then all your benefits in that fund are 'Vested Benefits'. This means that on retirement from the fund, you may take up to the full fund value as a cash lump sum, and you are not obliged to purchase an annuity.
- If you were **younger than 55** on 1 March 2021, and you were a member of a provident fund or provident preservation fund on that date, then only the contributions or benefit transfers made prior to 1 March 2021, together with investment return, are Vested Benefits. All contributions made after this date, together with investment return, are regarded as Non-Vested Benefits. This means that when you retire from the fund, you may take full value of the Vested Benefit as a cash lump sum. You may only take up to a maximum of one third of the Non-Vested Benefit in cash, and the balance must be used to purchase an annuity of your choice.

I BENEFICIARY NOMINATIONS

You may only nominate beneficiaries who are natural persons to receive a benefit in the event of your death before retirement from the Fund. Where payment to a natural person via a trust is required, the natural person must still be nominated, but the nomination must be qualified by a request to make payment to the person via the trust. Please note that the allocation to your beneficiaries is at the discretion of the Trustees, based on the provisions of Section 37C of the Pension Funds Act, No. 24 of 1956. The Trustees must determine who your dependants were, and will make payment in proportions that they deem fair based on the information provided at the time. Your nomination will serve to assist the Trustees in making these decisions, although it may not be binding on them. If you elect to review and make changes to the nomination of any beneficiaries, a signed instruction must be received by PPS Investments before your death.

Please note that we will not capture an Estate as a beneficiary on your investments. We will capture "No beneficiary nominated".
