Useful information

- Product brochures and key benefits.
- Fund fact sheets (Minimum Disclosure Documents) for the available Investment Option.
- Financial Intelligence Centre Act (FICA) requirements.
- The Effective Annual Cost measure (EAC) is an industry-wide disclosure standard. It can be used by investors and financial advisers to compare charges on most retail investment products, and their impact on investment returns, so that investors are placed in a better position to make informed decisions around investment choices. The EAC is a measure of the charges that an investor will likely incur in purchasing and holding a financial product, and does not attempt to measure the features of a financial product.
- The latest Product Terms, Conditions and Declarations.
- You can manage your investment, view balances, transact and download tax certificates on the PPS Investments Secure Online Service website (www.ppsisecure.co.za) or the PPS for Professionals mobile app for IOS or Android.
- As a policyholder with a Vested PPS Profit-Share Account, you will continue to share in the contributions PPS Investments makes to PPS Insurance for as long as this policy remains active and you have savings invested with PPS Investments (in your Vested PPS Profit-Share Account or any PPS Investments product).
