PRODUCT SUITABILITY

The PPS Tax Free Investment Account is a flexible investment structure offering investors the benefit of tax-free proceeds from the investment. No capital gains tax (CGT), dividend or income tax is charged on the investment growth. It is best suited to investors who are looking for long-term investment growth, to augment retirement savings or who are investing on behalf of children or grandchildren.

Contributions are prescribed by law to a maximum of R46 000 per tax year and R500 00 over the investor's lifetime. Investors may contribute or withdraw from the investment at any time, however, contribution limits are capped per tax year and any withdrawals cannot be offset with contributions so would deplete the annual and lifetime limits and reduce the long-term tax benefit.

A wide range of unit trusts are available from the PPS Investments' range of investment options through the PPS Tax Free Investment account. Investors have a choice to invest a lump sum or recurring monthly contributions and the flexibility to change the selection of underlying unit trusts as often as is needed without incurring transaction fees.

The Administrator does not provide any guarantees in relation to any investment performance.

10.1 What fees are applicable to my investment?

Three types of fees are charged:

- **Financial advice fees:** If you have appointed a financial adviser you may have agreed to initial and/or annual fees (as indicated on the application form or amendment form). Initial fees are deducted from the investment amount prior to investment. Annual fees are deducted through the sale of units in your Investment Option(s) and paid to your adviser monthly in arrears. The fee is calculated and accrued daily.
- **Administration fees:** These are payable for administration services provided by the Administrator. No initial administration or transaction fees are charged. Annual fees are deducted through the sale of units in your Investment Option(s) and paid monthly in arrears. The PPS Investments client-based charging model reduces ongoing administration fees based on the total amount of assets you have invested with them (across all the products you have invested in).
- **Asset management fees:** Initial fees and the annual asset management fees on the underlying Investment Option(s) selected will be charged by each management company. There are also other allowable expenses associated with an Investment Option. These fees and charges are deducted within the unit trust and are therefore not deducted in units, and are instead accounted for in the published performance of the Investment Option. These fees are indicated on the relevant Minimum Disclosure Document available on our website.

All fees are paid by a proportional disinvestment from each Investment Option or a specific Investment Option, depending on the instruction you have given on your application or transaction form. Fees and charges may change from time to time and you will be notified of such a changes.

10.2 What is the maximum annual administration fee?

It is calculated on the daily market value of the investment portfolio and will be charged and paid monthly in arrears.

This fee will be charged at the level of your Investment Option(s) and will be reduced according to the sliding scale below. Investments in the PPS Enhanced Yield Fund and Allan Gray Money Market Fund are excluded from the investment amount when applying the below sliding scale. An annual platform administration charge of 0.40% (excluding VAT) is charged on investments in the PPS Enhanced Yield Fund and Allan Gray Money Market Fund.*

Value of total investments	Administration Fees (excluding VAT)
Up to the first R1 500 000	0.50%
From R1 500 001 to R5 000 000	0.20%
From R5 000 001	0.10%

*With effect from 1 October 2026, investments in the PPS Enhanced Yield Fund will no longer be excluded when applying the PPS Select sliding scale. The fixed administration charge of 0.40% (excluding VAT) will no longer be applicable and these investments in the PPS Enhanced Yield Fund will instead be subject to the applicable PPS Select sliding administration fee.

Please refer to the Select Fund Range Investment Option schedule available on our website in order to find out more.
