PRODUCT SUITABILITY

The Tax Free Investment Account is a long-term investment vehicle which allows you to benefit from tax savings on your investment returns. The PPS/OPN Tax Free Investment Account forms part of the comprehensive PPS Investments product suite.

It is a tax-free investment provided for by section 12T of the Income Tax Act. No capital gains tax is applicable to the investment, therefore all proceeds are tax free. No income tax or Dividend Withholding Tax (DWT) is applicable to any income earned on your investments.

You may construct your personalised portfolio by investing directly in a selection of Investment Options. You make your selection of Investment Options, decide how much you'd like to invest on a one-off or recurring basis and remain invested for as long as you prefer.

You are also free to amend your investment as needed. You can increase, lower or stop debit order contributions and make changes to your Investment Option selection without incurring transaction fees. In addition, you remain free to withdraw your money whenever you want to, although this is discouraged as withdrawals impact lifetime contribution limits. Even though there is no minimum investment period, this tax-free investment should be viewed as a long-term savings vehicle to be used to supplement a standard retirement savings vehicle.

10 FEES

10.1 What fees are applicable to my investment?

Three types of fees are charged:

- **Financial advice fees:** If you have appointed a financial adviser you may have agreed to initial and/or annual fees (as indicated on the application form or amendment form). Initial fees are deducted from the investment amount prior to investment. Annual fees are deducted through the sale of units in your Investment Option(s) and paid to your adviser monthly in arrears. The fee is calculated and accrued daily.
- **Administration fees:** These are payable for administration services provided by the Administrator. No initial administration or transaction fees are charged. Annual fees are deducted through the sale of units in your Investment Option(s) and paid monthly in arrears. The PPS Investments client-based charging model reduces ongoing administration fees based on the total amount of assets you have invested with them (across all the products you have invested in).
- **Asset management fees:** Initial fees and the annual asset management fees on the underlying Investment Option(s) selected will be charged by each management company. There are also other allowable expenses associated with an Investment Option. These fees and charges are deducted within the unit trust and are therefore not deducted in units, and are instead accounted for in the published performance of the Investment Option. These fees are indicated on the relevant Minimum Disclosure Document available on our website.

All fees are paid by a proportional disinvestment from each Investment Option or a specific Investment Option, depending on the instruction you have given on your application or transaction form. Fees and charges may change from time to time and you will be notified of such a changes.

10.2 What is the maximum annual administration fee?

The maximum annual administrative fee is 0.50% per annum (excluding VAT), and depends on the product you invested in.

10.3 How is my annual administration fee calculated?

The PPS Investments client-based charging model reduces ongoing administration fees based on the total amount of assets you have invested across all products. It is calculated on the daily market value of the investment portfolio and will be charged and paid monthly in arrears. This fee will be charged at the level of your Investment Option(s) and will be reduced in accordance with the sliding scale below:

- First R1 500 000: 0.50% (excluding VAT)
- Thereafter: 0.20% (excluding VAT)

Investments in the PPS Enhanced Yield Fund and Allan Gray Money Market Fund are excluded from the investment amount when applying the above sliding scale. An annual platform administration charge of 0.40% (excluding VAT) is charged on investments in the PPS Enhanced Yield Fund and Allan Gray Money Market Fund.

Please refer to the Select Fund Range Investment Option schedule available on the PPS Investments website for more information.

10.4 What fees are applicable should I select the PPS Discretionary Fund Management Investment Option?

A Discretionary Fund Management Fee applies to selected Investment Options. The fee charged is in-line with the discretionary mandate signed.

11 DEATH CLAIMS

11.1 What happens to the proceeds of my Tax Free Investment Account in the event of my death?

The amount available in your Tax Free Investment Account (after all fees and charges have been deducted) will be paid according to your executor's instruction once all processing requirements have been met.

The Administrator must be notified of your death as soon as possible and the following documentation must be submitted:

- Death certificate
- Letter of executorship

12 UNCLAIMED BENEFITS

12.1 What happens to unclaimed benefits?

If the Administrator is unsuccessful in its efforts to make a payment that is due to an investor or their estate for whatever reason, such benefits will become unclaimed benefits and will be dealt with in accordance with the Association for Savings and Investment South Africa (ASISA) Standard on Unclaimed Assets.

The Administrator may use all personal and contact information provided in order to facilitate tracing directly or via a third party in respect of any unclaimed benefits.

Any direct administrative, tracing and management costs incurred by the Administrator after a period of six months from the date on which the benefits first became due will be charged against the remaining value of the unclaimed benefits once successfully traced.

The Administrator will cease all attempts to trace the investor if the remaining value of the unclaimed benefits is less than the minimum value prescribed by ASISA from time to time (R1 000 as at 1 June 2013) and the costs of tracing exceed the benefits of tracing.

13 YOUR ROLE

Notwithstanding the information shared above, there are some additional rights and responsibilities to take note of:

13.1 We recommend that you seek financial advice.

We always recommend seeking financial advice when making investment decisions. A financial adviser should be able to help you make investment choices that are suited to your needs and circumstances. If you do not have a financial adviser, the responsibility lies with you, as the investor, to make sure all fees payable are understood.

The financial adviser is responsible for ensuring that you receive an appropriate needs analysis, advice, product and fee information, including changes in administrative processes of the Administrator, and fully understand these. Where you have appointed a financial adviser, it is the responsibility of your financial adviser to act within the conditions of the relevant FSP licence. We cannot be held responsible or liable for any loss or damage you may incur as a result of the financial adviser acting outside the licence conditions.

We do not provide any guarantees in relation to any investment performance. The value of the investment portfolio will fluctuate relative to the market values of the underlying securities comprising the selected investment portfolio. Investment Options are generally medium-to long-term investments. The value of the units may go down as well as up and past performance is not necessarily a guide to future performance.

13.3 Any risks associated with the communication method you choose to submit instructions lie with you.

We will accept your instruction by facsimile or email. We will not accept any loss incurred as a result of us receiving and/or acting upon such communication. You waive any claim that you may have against us as you hold the risk of the communication method you have selected. We will not be liable if we do not receive a communication whether due to the failure, malfunction or delay of any networks or electronic or mechanical device or otherwise.

13.4 You are entitled to the information a collective investment scheme is legally obliged to disclose.

As the investor, you are entitled to any information that the law requires a collective investment scheme to disclose. We are obliged to obtain and transmit such information if the investor requests it.

You have **14 days** after receipt of investment confirmation or any statement to report any errors to the Administrator. The Administrator will not accept any responsibility for any loss, damages or inconvenience you incur, howsoever caused after this time.

13.6 You are responsible to ensure your personal information on our system is correct.

As an investor, it is your responsibility to ensure that your personal and contact particulars, as reflected on the latest Investment Summary issued by the Administrator, are correct. If this is not the case, or in the event that your personal and/or contact particulars change, it is your responsibility to inform us timeously in writing of the new details. Investments in the selected Investment Option(s) are made and will be administered subject to the provisions of CISCA, in accordance with the deeds of such a collective investment scheme and subject to each management company's fee structure as amended from time to time.

14.3 We are authorised to verify your information.

You hereby consent to us making enquiries of any nature, if necessary, to verify the information disclosed in the application form. You also consent to us obtaining any other information concerning you from any source whatsoever to process your application.

14.4 We will not be held liable to investors or third parties for losses sustained.

Provided that we exercise reasonable care and diligence in the management of your Investment Option(s) we will not be liable to you or a third party for any loss you may have sustained in terms of your Investment Option(s).
