# 1. How to access the E-Voting Platform?

Click on the following link to cast your vote:

#### https://pps.virtual-meetings.online/login

PPS Members may use either their PPS membership Number, or their SA ID Number, or their Passport Number to start the login process.

Once you have input your PPS membership Number, or SA ID Number, or Passport Number, please tick the **I'm not a Robot** box and then click on the Login button

The platform will send a One Time Pin (OTP) to your email address and mobile device as recorded in the PPS database. This is a 6-digit number that must be input in order to complete your login to E-Voting Platform.

It is important to note the following information:

# 1. Mobile Networks

Whilst the delivery of OTPs is normally quick to your mobile device, circumstances outside our control pertaining to the Mobile Networks can delay the delivery of OTPs. It is for this reason that the OTP is also sent to a member's email address. If a member keeps attempting to login in before receiving their OTP it is important to note that the **newest OTP overwrites and cancels its predecessor**.

# 2. Time Out messages

The E-Voting Platform has built-in security features that time out users after 5 minutes of no activity. If you get an error message that reads *Invalid CSRF token. Form ignored,* Members are then required to refresh their screen and login again.

# b) Your voting options – "Discretionary voting"

A PPS Member may have granted a fellow member, or the Chairman of the AGM, a discretionary proxy vote to cast votes on their behalf from the opening of electronic voting on 09 May 2022 at 15h00 or at the AGM on 09 May 2022.

If you have been granted a discretionary vote(s), please click on the **Discretionary Voting Button** which is situated in the navigation bar on the left-hand side of the screen (see below)

A discretionary vote granted to a proxy, is a vote that may only by cast by the proxy on the day of the meeting. All the votes that have been conferred on the proxy are consolidated into one and the member who has been granted additional proxy rights may only vote **IN FAVOUR OF, AGAINST** or **ABSTAIN** for the full number of votes at his /her disposal for each resolution (in other words, a member can't split his/her votes between **IN FAVOUR OF, AGAINST** or **ABSTAIN** in respect of a particular resolution).

Clicking on the **Discretionary Voting** button opens a new screen that enables you to allocate your discretionary votes (see below).
